Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We have reviewed recent market activity within Point Cook; however, there is only one directly comparable sale within a 2km radius over the past six months that closely aligns with the subject property. Additionally, there are no recent transactions that closely match the property's configuration and floor lever that can be relied upon as direct sales evidence.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
