Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We have reviewed recent market activity within Sunshine North and the surrounding area. However, there are no directly comparable vacant land sales available, with very few undeveloped allotments remaining and no recent sales evidence available for direct comparison. Given the property's premium corner position, irregular-shaped allotment, generous land size, and convenient access to Quarry Lake and the Maribyrnong River, we believe the property reasonably falls within a price range of $798,000–$877,800.
