Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We reviewed recent market activity in Point Cook and identified only 2 comparable properties sold within a 2km radius over the past six months that closely align with the subject property in terms of modern design, condition and features.
