Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

We were unable to locate comparable sales within 2 km of the property due to the property's unique double-storey, 2-bedroom layout. The sale identified with similar features and condition has a single floor unlike our double storey. This sale has therefore been included in the CMA as reference sales record but cannot be used as a comparable sale.

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
