Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There are no directly comparable sales or relevant sales records within Wyndham Vale over the past six months that closely match the subject property's configuration and floor level. As a result, the assessment relies on the property's own features, location and prevailing market conditions. The subject is a modern, well-presented, double-storey home with three bedrooms. Its recent construction, contemporary design and functional layout enhance its buyer appeal. Taking these factors into consideration, the estimated sale price is $570,000-$627,000.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
