Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There are limited recent comparable sales within a 2km radius, particularly for double-storey, four-bedroom homes with three bathrooms and a separate kitchen, where the upper level accommodates only one bedroom and bathroom.
